

Robin Williams
by Eileen L. Francis

- R Robin:
Robust, rebellious, ridiculous, right on,
recognizing his efforts and antics, quick responses
- O Off his rocker, off the charts, over and above
- B Bigger than life, boyish, beautiful, boisterous,
bratty, beloved
- I Imaginative, insanely funny, irrational,
infectious
- N Nice, nerdy, notorious, nuttier than me
- W Williams:
Wackiness, warmth, willingness to give to
others and to share, wonderfully weird
- I Intelligence in the sky, ironic, instinctual,
I-mess
- L Laughter, laughing, loving, legendary
- L Lonely inside, depression, loss of life
- I Inquisitive, inquiring, idiotic, incredible
- A Always creative and creating, altruistic
- M Merry, makes me laugh and feel good,
so uplifted, manic madness
- S Smiles so special, ^{spontaneous} silly, surprising,
somber suicide . . .
